

Fall Garden Club

There is lot to do in our BSS garden after a very successful summer of growing vegetables. I could use some good strong workers to help pick leftover vegetables, pumpkins and weeds so we can put our tired garden to bed for the winter. In addition, we will make some fall garden crafts, collect valuable seeds and plant some fall bulbs!!!

If your child is interested in joining me, please fill out the information below and return the bottom portion to the school office by Friday, September 28th.
