

# That's So Cool!

Days: **Monday - Thursday**

Time: **9:00AM-noon**

Cost: **\$180.00 per week**

Ages: **Students going into second or third grade**

*Limited to ten students per week*

*Students should bring a water bottle & snack*

We will investigate and conduct experiments that explore a variety of science topics such as gravity, electricity, and states of matter. Each week of camp will focus on a different theme. Contact Mrs. Lombardi with questions. [clombardi@blessedsacrament.org](mailto:clombardi@blessedsacrament.org).

June 26th-June 29th     **States of Matter-** Playing with solids, liquids, and gases to understand the properties of each.

July 10th-July 13th     **Splish Splash-** Experimenting the cool things we can do with water.

July 24th-July 27th     **Roving Robots-** Building different types of robots some that even zip around!

---
