

Good Morning,

It is good to see everyone back here at school today. Here are a few updates...

(1) **Math Night for K-5 & Parent Collaborative Meeting - March 20:** The K-5 Math Night that was postponed due to weather last month has been rescheduled for next Tuesday night, March 20 at 6:30 in the school cafeteria. Math Night will be held in conjunction with the March Parent Collaborative meeting. So, parents will have the opportunity to participate in Math Night activities while also hearing all about the spring events being planned by the Parent Collaborative.

Please RSVP for Math Night at: <https://goo.gl/forms/KuI9rPANHpR4vnKF3>

(2) **Student Green Squad:** Does your child show a special interest in caring for the earth? Sign them up to join the BSS "**Green Squad**". The Green Squad is comprised of junior Green Team members who help our school community reduce, reuse and recycle. They will be an important part of Green Week April 23-27, 2018. The Green Squad will have a tie dye party next Wednesday, March 21 after school. Members will "reuse" old t-shirts to create our new Squad gear! Open to grades K-8. RSVP your child by 3/19 here: <http://evite.me/atDz472z4V>

(3) **Parents Night Out Movie Night:** The Parents Night Out Movie Night to benefit the Circle of Hope in Norwood will go on as scheduled from 5:30-8:00 in the gym tonight. Late RSVPs can be sent today to Mrs. MacLean at tmaclean@blessedsacrament.org.

(4) **Changes to Lunch Menu:** With the recent snow days, we will be making a couple of changes to next week's lunch menu:

- Wednesday will be Cheese Ravioli w/ Vegetable (not Ziti w/ Meat Sauce)
- Thursday will be Steak and Cheese Sub w/ Fresh Fruit (not Taco Salad)

(5) **Club Opportunities:** There are still a few spaces left in Mr. Hall's new STEM-themed clubs for this spring. Details are below...

Middle School Robotics Club (grades 6, 7 & 8)

We are holding a 6-week Robotics Program this Spring for interested Middle School students. The program will utilize the LEGO Mindstorms EV3 robots. We will provide students with a hands-on experience engineering and programming the LEGO robot to accomplish missions similar to those done at robotics competitions.

Meetings will be held: Thursdays, 6 to 8 pm in the BSS Tech Lab

Meeting dates are: MAR 22, MAR 29, APR 05, APR 12, APR 26, MAY 03

We will also have a scrimmage with Sacred Heart School Boston on Saturday, May 5th from 9am to 11am.

The fee for this program is \$25/student (payable through FACTS)
