

Good Afternoon,

I am sending this email out from a bus, as I make my way back to Walpole from Vermont with the 8th grade class. We had an outstanding overnight retreat at Dave Dumaine's retreat house these last two days. This class is ready to graduate and move on from BSS. They will undoubtedly make a difference in our world, with their time at BSS as a foundation for their continued growth. Please keep them close in your prayers on their special day tomorrow.

Here are this week's updates:

(1) Spanish Teacher Posting: Sadly, we will be saying goodbye next week to one of our talented teachers. Meghan "Profé" Trowbridge was offered a job in the Natick Schools, and she accepted the position earlier this week. Meghan has been an a truly exceptional teacher at BSS during her two years with us. Her creativity, her enthusiasm and her unique ability to connect with students of all ages and to inspire a love for the Spanish language will be missed. We wish her all the best as she moves on from BSS and into this new opportunity.

This position has been posted to the wider community. If you know of anyone who might be a good fit for the role, please encourage them to submit their application to Dr. Roy.

(2) Yearbooks Available: Extra copies of both the middle and elementary school yearbook are available in the front office for \$30. Both yearbooks are high quality, hardcover, full color books that truly showcase life at BSS from this past year. Great job by everyone who worked on the yearbooks this year!

(3) Used Uniform Information: The used uniform closet will be closed for the summer. Please use the form link to request any needed items before June 13. [Used Uniform Request Form](#)

The used uniform closet will be open for sales on the first day of school, Tuesday, September 4 at 11:45am and on Back to School Night, Thursday, September 20 from 6:15-7:15pm.

(4) Parent Collaborative Newsletter: The final BSS Parent Collaborative Newsletter of the school year is attached to this email. Thank you to all of our PC leaders for their work in support of our students and teachers this year!

(5) Walpole Bus – 2018-2019 School Year: Applications for students interested in riding the Walpole Bus during the 18-19 school year are available at the Walpole Schools website:

http://www.walpole.k12.ma.us/departments/business_office/bus_transportation

Enjoy the rest of the week and weekend!

Jim
