

Good Morning,

Here are a few early week updates from BSS...

(1) **Potential Weather Disruptions:** As we look ahead to tomorrow, it seems that an early release from school or an announcement of "no afternoon activities or extended day" seem very possible. To be clear, no decision about this has been made yet. I do ask, however, that you start to prepare for these possibilities by arranging for a potential early pickup from school. Thank you in advance for your help with this.

(2) **Easter Lily Delivery:** The Mission Committee of our School Board is still looking for a few more families to help with the delivery of Easter lilies to elderly and infirm members of the parish community. This is a GREAT opportunity for families to engage in service together during this holy season. If you are able to help out, please contact John Trendel at [john.trendel@yahoo.com](mailto:john.trendel@yahoo.com).

(3) **Service Hours Reporting:** If you have completed some or all of your required service hours this year, please make sure that you have logged your hours online. All service hours get logged through our student management system, MyStudentsProgress.com. To log your hours, visit [boston.mystudentsprogress.com](http://boston.mystudentsprogress.com) and log in to the system. You'll find a tab there for "Volunteer Hours" and can follow the instructions to enter your hours. Please log all hours by next Thursday, March 29, so that we can send out an accurate update to families about outstanding service hours after Easter.

(4) **Holy Hour for Cancer:** There is a special holy hour being held this Thursday morning, March 22 from 11:00-12:00 in the chapel at Blessed Sacrament Church. This hour of prayer and Eucharistic adoration will specifically focus on prayers of healing for those battling cancer. Please consider joining this school and parish group in prayer.

(5) **Casual Day - Friday, March 23:** This Friday will be a casual day for all students who bring in at least \$1. The money raised will go to support Project Do Something Boston (<http://dosomethingboston.blogspot.com/>), an organization that prepares and delivers meals to the homeless population of Boston. Students will learn more about the work of this organization and how BSS hopes to help at morning assembly on Thursday.

-----

We hope to see many of you at tonight's K-5 Math Night & Parent Collaborative Meeting, which will start at 6:30 in the cafeteria.

Have a good day,

Jim
