

Blessed Sacrament School
Preschool Policy Regarding Diapers and Training Pants

Children entering the BSS preschool program should be potty trained or working on being fully potty trained within the first 2 months of the start of school. If a child is not potty trained by the Thanksgiving holiday break they will be asked to unenroll from the program. The school's expectation is that children entering preschool will be familiar and comfortable with using the restroom facilities and not rely solely, if at all, on the use of diapers or training pants (Pull-Ups).

We encourage you to consult your pediatrician regarding potty-training methods.

Please contact Dustin Demers at ddemers@blessedsacrament.org with any questions.
