

Entering Grade 5 Summer Math 2021-22

Entering Grade 5 Summer Math 2021-22

Welcome to fifth grade. I am looking forward to enjoying lots of math fun with you. During the summer, you are required to work in Khan Academy for a minimum of 30 minutes per week. Of course, if you are traveling, you may continue your work when you return.

As you enter the Khan Academy site, log in through your school Google account. You are a “learner.” Enter the class code to get started, **3ZU2THXF**. Most of you have already completed this step. You are now ready to begin working on the course, *Get Ready for 5th Grade*.

When you return to school, I am looking forward to hearing about all of your summer fun!

Enjoy,
Mrs. Falvey
