

## **Middle School Math/Science Long Term Substitute**

Blessed Sacrament School in Walpole, MA is currently seeking a long term middle school Math/Science substitute teacher, commencing in early March. This teacher will provide math and science instruction for the middle school grades (Grades 6, and 7). Class sizes are approximately 12-18 students.

Established in 1966, Blessed Sacrament School provides a Catholic education to children in Preschool through Grade 8. Blessed Sacrament School strives to nurture every child spiritually, intellectually, socially, physically, and emotionally in an atmosphere of Christian concern and service in which we all strive to be the hand and feet of Christ in our world.

Candidates for this position should meet the following qualifications:

- A commitment to Catholic education
- Massachusetts teaching certification in math and/or science
- Prior teaching experience in math and/or science at the middle school level
- Advanced degree in education or a math and/or science-related subject area (preferred)
- Experience with the utilization of project-based learning in the classroom
- A willingness to contribute to a culture of collaboration through the school's **STREAM** program, including the integration of lessons across content areas
- Experience with curriculum design, innovative lesson planning, and the organization of collaborative and differentiated classroom learning
- The ability to seamlessly integrate technology into classroom instruction
- Familiarity with the iPad as an instructional tool

**Submission Instructions:** Please submit cover letter, resume and any other pertinent information to Mr. Dustin Demers, Principal, at: [ddemers@blessedsacrament.org](mailto:ddemers@blessedsacrament.org)
